

Long lasting Leadership Development CISL Impact Benchmark Study

In 2015 Emerging World Launched the first CISL Long-term Impact Study. Building on this Study, a Benchmark has been created based on 688 responses from 6 companies with programmes dating from 2004 - 2015. Overwhelmingly, the Study continues to report powerful and enduring learning that has influenced participants careers and positively impacted the organisations they work for.

100% of participants have recommended a CISL experience
